

I. Introduction to Job 30

We have our Bibles this morning, and in just a little while, after my introduction, we are going to be moving over to Job chapter 30. Last time we were together, we looked at some of the incredible side studies found within the major studies we have been going through in the book of Psalms. As you know, we have been coming through the book of Psalms verse by verse, chapter by chapter, and we are up to Psalms 22, where it talks about the crucifixion of the Lord Jesus Christ.

As you study your Bible and you get into the deeper levels of it, you will see how the Word of God keeps revealing itself. Modern scholarship has a tough time with this, and they call it advanced revelation, and they say that the Bible does not do that. Well, they do not even believe they have a Bible. But if you believe your Bible, if you believe the Word of God that God has given you, the more you get into it, the deeper you get into it, the deeper it gets into you. It keeps revealing itself to you and opening itself up to you. Over in Ephesians 3:8 the Word of God is called the unsearchable riches.

*8. Unto me, who am less than the least of all saints, is this grace given, that I should preach among the Gentiles **the unsearchable riches** of Christ; Ephesians 3:8*

That is exactly what it is. In a lifetime, in ten lifetimes, in a thousand lifetimes, we could never unearth all of the unsearchable riches that are found in that Bible. **It is an eternal book given by an eternal God, brought down to a common man that touches our eternal soul.**

II. The Ark and the Three Families

We looked at the ark as a type of the Lord Jesus Christ out of the veil study that we were looking at and how Israel followed the ark and camped around it in all their 40 years as they wandered through the wilderness of sin. I talked about the three families that were connected with all of the aspects of the ark on the intimate level, and how every church will have three groups of people in it.

When the nation of Israel camped for however long they would camp, the ark was put in the center. The three families were right there with the ark doing the work of the ark. Around that ark in a circle were the 12 tribes. Then outside of that was the people in the uttermost, the mixed multitude. It shows you that in any church, you are going to have those three kinds of people. Some churches may have more of the families than they do just the outer group. Some churches will have the mixed multitude more than they will have anybody that does ministry. But all churches are going to have these three.

I have been in this business a while, and I am telling you that I have never seen a church that did not break down into those three. You have those that get closest to the ark. They are involved in everything that the ark represents. Then you have those that are around the ark and then you are

going to have the mixed multitude that actually camps as far away from the ark as they can get. It is where every church today will have it the exact same way.

I talked about how the key of any pastor, certainly the ministry and the vision for any church, should be building families that minister together. When you study these three families, you see that they went on for 40 years. They went on generation after generation after generation. When they established the Tabernacle under Solomon, the descendants of those families carried it right on. It is a picture of the heritage that we have as moms and dads in building our families to minister together, that that legacy continues on till the Lord Jesus Christ comes back.

➤ Our Church by Design is to Build Families to minister together

It is up to the church to provide the training for whatever level. You take the singles and you work with them. You take the young couples and you develop them. The older adults that some of you have been with me for 30, 40 years, you are the backbone of this ministry. You are the ones that push comes to shove, it falls back on you. You understand it, you have been there, you know what the case may be, and you can help with all of the younger ones. Of course, you older adults that are my age, in your sixties and your seventies, you too are invaluable. You are the elders of a church. You are the ones that are the agent. You are the ones that have the experience of life that can be so valuable to the younger guys and gals. Then we have our kids and the elementary, all the different levels. Everything is geared here by design to build families ministering together, using every available asset of the people that God has given me on all levels to put families on a ministry foothold, that they can minister together. That is what makes any church a success.

There is nobody that is a star. There is nobody that is the main guy. This is why I did not have to go to New York. I mean, the people up there, are asking about me, wanting to know where I was, asking how can I get in contact? I do not need to be there for that, because it is a church, it is us, it is not me, it is us together. They are as important to what the work is as I am. They go up there and they step up in my place and they represent just like most of you would do, like you did in Boston, like you will do whenever you go anywhere. That is the key.

➤ Three Objects in the Ark, Aaron's Rod, Manna & the Ten Commandments

Then I showed you that within the Ark itself, you have three articles that were put in the Ark by Moses. You have Aaron's Rod, you have the manna, and then you had the 10 commandments. I showed you how **each one of them will show us and represent the three major doctrines of God's eternal plan and who he is and how he is going to operate.** You have Aaron's Rod, which is a picture of the church. You have the manna, which is a picture of the Word of God. Then you have the 10 commandments, which is a picture of the Old Testament nation of Israel.

If you are in this church and you are growing, being disciplined, and learning your Bible, you will get there. But every child of God in time should have a complete working understanding of these three areas, because they form the complete understanding of what God is doing down through time and down through the Bible. The Bible itself is built around two of them. You have the nation of Israel in the Old Testament and in the New Testament the church all revealed through

the third aspect, the manna, the Word of God. These three objects in the Ark will show you the three key areas that are in Christ's mind. When the Bible says, let this mind be in you, which was also in Christ Jesus, when the Bible says we have the mind of Christ, do you want to know what we have in that? You do not have a million things. You do not have 10 billion things. **You have three things in his mind: the Word of God, the nation of Israel, and the body of Christ. Those three make up the complete plan of God in God's mind.**

III. The Record of Salvation 1 John 5:11-13

Then you will remember I took you to Job chapter 16. I showed you the events that were found in Mark chapter 15, which we looked at the week before when I brought you through that week, day by day, almost hour by hour. When Christ, after His betrayal by Judas, He is then taken before the high priest and then Pilate himself. Then the ordeal of the cross and His crucifixion now begins. I showed you and laid out how they mocked Him, how they beat Him. The Bible says that his visage was so marred more than the sons of men (Isaiah 52:14). How they pulled out clumps of his beard, how they whipped him on the back with a cat of nine tails till the bone showed through, how they blindfolded him and then smote him in the face and asked Him if he was the great Son of God to tell them who just hit him. How they plated a crown of thorns on Him and took the scepter that they gave Him and beat him on the head and drove those thorns down into his forehead.

At the end of the chapter, we were told that all this and all that God brought about, it says that we now have a witness in heaven and that my record is on high. I took the time to show you last week where that record was found in the Word of God. You can know for sure you are saved. A lot of people struggle with their salvation. Some people think you can lose your salvation. All that is not true because the Bible has given us a record and that record is in 1 John 5:11,12 and 13. I gave it to you last week.

11. And this is the record, that God hath given to us eternal life, and this life is in his Son.

12. He that hath the Son hath life; and he that hath not the Son of God hath not life.

*13. These things have I written unto you that believe on the name of the Son of God; **that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God.***

It's that simple. It is the greatest single passage in all the Bible on the completeness of our salvation and how you can know today you are truly saved.

I want to again turn back to the book of Job and as I told you, go to Job 30. As we go through these seven passages that deal with Christ on the cross, and I need to tell you this. You are going to have to bear with me today if I preach this in a little more of a personal aspect out of my own world or my own life. I can take passages that mean a lot to me and somewhat separate myself and my feelings from it so I can just present it in its purest form. But there are some places in the Bible that I cannot do that. Because there are some places in the Bible that changed my life to such a degree that I could never just preach it in a dormant way. Because in Job 30, it is where my life changed for the second time. The first time my life changed is when I trusted the Lord

Jesus Christ as my own personal savior. Then through the process of spiritual growth, there came a time in my life when it changed the second time. No question about it, this is why it is so personal to me.

➤ The Christian Life is Not How You Start, But How You Finish

I cannot speak for you this morning and I would never try to. I do not know where you are at with the Lord. I believe that most of you, if not all of you, are saved and I believe that most of you, if not all of you, love the Lord. Are all of you where you need to be? No, that is okay. Are all of you on the level that you really understand everything that I am talking about? No, but I was not either for many years. You see, the real question in the Christian life is not how you start. The real question is how do you finish? That is what I want to talk about today.

IV. The Day Bob Alexander Surveyed the Wondrous Cross

Again, I did not know what Danny was going to sing this morning. We never coordinated anything. Last week the kids sang, "*He Could Have Called 10,000 Angels.*" I had no idea that we were going to do that. But boy, if I learned over years how to hitchhike something off of that and put it into the message, well, today, today. And he had no idea. We had no conversation about it. Today, he did not know what I was going to preach. **Today, I want to talk to you about the day that Bob Alexander surveyed the wondrous cross.** I cannot speak for you. I would never try to. I hope someday you too will survey the depth of the cross.

Last week we saw in Job 16 and Isaiah 50 and 52, the events leading up to the crucifixion. Today, we see him put on the cross and we get a look deep into that sixth to the ninth hour where He paid it for me. You see, I am not going to say where He paid it for you. I am not going to bring you into this sermon any way, shape or form. If you get into it, you are going to bring yourself into it because this is my sermon. **This is where God changed me that I was never the same again once I truly in depth surveyed the wondrous cross.**

I remember years ago when I began to see these seven or eight passages in the Bible that really dealt with the crucifixion of Christ. I began to see how Matthew, Mark, Luke and John gave you the events. But if I really wanted to understand it, it was these Old Testament passages. I began laying all of these out and putting them all together. When I came across Job 30, that was the determining factor. My Christian life changed again. I told you it changed the day I got saved, but through the process of growth, I never looked at things the same again.

I have told you this before. You will find in the Bible where God changes the name of seven different men. It is insignificant to most people. Most people never see it, never catch it, never count them up, never look at them individually. But in the Bible, when God changes a person's name, it signifies that they have reached a level now in their relationship with God that their life will never be the same again. When he took Abram, which means high father, he changed his name to Abraham, which is the father of many nations. From that point on in your study of Abraham, his life was never the same. You are going to find that Paul's name was Saul and when God changed his name to Paul, his life was never the same again. In fact, I do not know if there

is any significance to it, but he got called Paul and if you look at it, the first man he won to Christ was named Paul.

Years ago, Job chapter 30, when I understood this, God changed my name. My relationship changed. I learned out of that, there were some things that my understanding of the crucifixion demanded of me. I think this is part of the problem in Christianity. They do not ever get into the level of understanding His death on the cross that they ever see what His dying on the cross really demands of us. We take it, sometimes we say thank you, sometimes we do not, sometimes we cry crocodile tears, but in time we get over it. Going deeper into that Bible as I grew, required me to live deeper into the Bible as the Bible got deeper into me. My relationship with the world changed. I know I am in this world, but I am not of this world. I could care less.

Probably in November, New York is going to get a communist mayor who is going to destroy New York City. I was up in Boston and I was talking to one of the guys and I said, "You guys are close to this, what do you think about that?" His answer was, "Let her burn." I do not care about this world because this world actually cares nothing about me.

My brother asked me when I saw him today, he said, "How is your week treating you?" I said, "The week treated me terrible, but the Lord treats me good." This old world is going to burn up. Why God's people put so much emphasis in the world? Why they would rather give their life to the things of the world than the things of God, when the only thing that is going to last for eternity is the things of God and this world is going to burn up someday.

My relationship with the world changed. I can't speak for you. Maybe He has not changed your name. Some of you, I think He probably has. Some of you, I am sure He has. But my relationship to the world changed. My relationship to other people changed. What He did for me, once I understood it, I cannot speak for you. Allow me to be personal here. What He did for me mandated that I make some difficult decisions in my life. In Job 30, along with the other areas, gave me the ability to make hard decisions in life that if not made in time would have just brought me along like the rest of God's people and I would have lost everything that He did for me. I would have still been saved, but I would have got over my salvation.

➤ The Indifference of God's People to the Day Jesus Died on the Cross

I do not understand, but yet I do. I have been in this business too many years not to see it, but I do not understand the indifference to God's people to the day He died on the cross. I do not understand how that it impacts in every aspect of our lives and yet, seemingly, we just go on with life. I saw as I developed this years ago, I saw every man in the Bible that God used mightily and did his work, went through the same process in their relationship with God that I was going through. I looked at the life of Enoch. The Bible says he walked with God. I saw how he walked with God and why. The Bible says that Noah found grace in the eyes of the Lord. First time you find that in the Bible. I looked at that and found out why. Abraham was called a friend of God. I saw in Abraham's life, from the beginning to the end, but there was a day that God changed his name, and Abraham was never the same. I looked at David a life full of problems and issues, but yet God said, he is a man after my own heart. I looked at Moses, the greatest leader that Israel ever had. You know, I think of Moses and his life's journey as he gets to be Israel's greatest

leader, he did not start out that way. You will not start out that way. I did not start out that way. And I am not putting myself or you up to be a great leader of anything. I am just saying there is a process. He too is called the friend of God. Now you may not be the great leader that Moses was. I may never be the great leader that any of these guys were. But every one of us have the ability to be God's friend. That is really where it is at today.

➤ We have the Ability to be God's Friend like Moses

I think of him in the context of the book of Hebrews, which gives you so much information.

23. By faith Moses, when he was born, was hid three months of his parents, because they saw he was a proper child; and they were not afraid of the king's commandment.

24. By faith Moses, when he was come to years, refused to be called the son of Pharaoh's daughter;

25. Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season;

26. Esteeming the reproach of Christ greater riches than the treasures in Egypt: for he had respect unto the recompence of the reward.

27. By faith he forsook Egypt, not fearing the wrath of the king: for he endured, as seeing him who is invisible. Hebrews 11:23-27

The Christian life is one of endurance. The Christian life is one of the things that you are going to have to endure. Sometimes it is things we endure because we do really dumb things. That would be my case. Sometimes we endure things because we just take our stand for the Lord. The real key is how you view that endurance. The real key is how important you understand that.

Mel Sabaka was my father in the Lord and that is really what this thing in New York is all about. He started that church 50 years ago. He went to New York, I came to Kansas City, but he was the apostle Paul of my life. When my dad passed away Mel and his wife Jean took me in and he was my father in the Lord. A man asked him one time, he says, "Brother Sabaka, let me ask you, are you enjoying your salvation or are you just enduring your salvation?" He did not even waste the time. He came back and he said, "I am enjoying my enduring." Are you?

God's building of a man. It says in verse 24, when Moses came to years, that means there was a time in his life when he came through a process and now he is come to a point in his life where he is faced with serving God or the world and you and I are going to come to that same point.

We have a lot of people come through here, especially a lot of young people and I appreciate how you young guys and gals take them in and work with them and encourage them. But you know, even in that we lose some. You know why? You know why they do not all make it? Because every guy, every gal, as you grow up, you are going to come to your years and you are going to have to decide if you are going to go with God or you are going to go with the world. Both of them are going to require endurance. But I am telling you, my dear friend, you are much better enduring it and enjoying it with the Lord than you are enduring it with the devil.

When he came to years, he refused to be called the son of Pharaoh's daughter. He could have been everything in Egypt. He had royalty, he was the king's daughter. He could have had everything. He could have had everything that Egypt had to offer. It is a picture of you could have everything that the world has to offer. But he came to years and he could see what the world really was.

Verse 25 says, *choosing rather to suffer the affliction with the people of God than to enjoy the pleasures of sin for a season*. There it is, there it is. **How many times I have told you, life will be about the choices you make.** Based on my life, Job 30, that was my choice. When I saw it, when I understood it, God changed my name. Choosing to suffer the affliction with the people of God than to enjoy the pleasures of sin for a season.

Verse 26 says, *esteeming the reproach of Christ, greater riches than the treasures of Egypt*. Oh, there will be a price that you pay if you are going to make the choice to go with Him. There will be a price tag with it. But then there is also a price tag of going with the devil and the world and that crowd.

Verse 27 says *he forsook Egypt*. It says he forsook Egypt and he endured. How do you endure? By seeing Him who was invisible. In other words, when God changes your name, when you get to that point in your Christian life and you decide you are not going back to the world. I am not saying you are going to be perfect. I am not saying you are not going to make some mistakes. I am not saying you are not going to do some dumb thing. I am saying you are not ever going back. Then God gives you the ability that He does not give to most of God's people. He certainly does not give it to the mixed multitude. He probably does not even give it to the ones at camp. You have got to get in that ark. You know what He does? You know the ability He gives you? He lets you see Him who is invisible. He lets you see things that other people cannot see. That was it for me. Why? Once I saw that, why burn my life out for the next 50 years? Why give Him everything? Why? Because I saw in Him what most of God's people could not see.

The ministry is going to be tough. The Christian's life is going to be tough. You are going to have to endure. The only way you are going to endure, the only way you are going to stay with it, the only way you are not going to quit, the only way you are not going to be in a bar someplace or someplace in the world. Is seeing what nobody else can see. When I surveyed the wondrous cross on which the prince of glory died. Job chapter 30 in particular, He allowed me to see what others could not see. In particular, Him dying for me. I cannot speak for Him dying for you. You have got to do that yourself. It even overwhelms me more when I know who I really am. There is nothing special about me. I am a mess. I am as worthless as anybody you could ever meet in life. I have my struggles just like everybody else does. Some people think, well, because you are the pastor, it is Bob or this or that, you know, he does not ever, no, no, no, you do not understand. We are all made of clay.

Somebody asked me one time, what do you think your worst problem is as a Christian? I said, my worst problem will be anytime I get out of that Book, anytime I quit walking with God, anytime that Book is not number one in my life, I am open and susceptible for anything that is

out there. Enduring Him by seeing Him who is invisible. That is going to get you through. It goes back to where it started with me. But I cannot speak for you. I would not try to.

➤ **These Seven Passages will Show You Four Things**

I have told you that these seven passages will show you four things.

1. How God looked at the crucifixion.
2. How the world looks at the crucifixion.
3. How Christ Himself looked at the crucifixion.
4. How I should look at the crucifixion.

Today in Job 30, many, many years ago was how I saw Him who is invisible. Unfortunately, the crucifixion of Christ as it really is, is invisible to most of God's people because of the way they live their lives. No change.

I have never understood why a person can get saved and then come to church, not come to church, come to church, not come to church. There are some of the people in this church, I can set my watch by the time of the month as whether you will be back or not. I do not understand that. Now, I know, things come up, you get sick, you got to go here, or there, if somebody dies, I understand that.

V. Job 30:8-30 Seeing Him who is Invisible

8. *They were children of fools, yea, children of base men: they were viler than the earth.*
9. *And now am I their song, yea, I am their byword.*

19. *He hath cast me into the mire, and I am become like dust and ashes.*
20. *I cry unto thee, and thou dost not hear me: I stand up, and thou regardest me not.*
21. *Thou art become cruel to me: with thy strong hand thou opposest thyself against me.*
22. *Thou liftest me up to the wind; thou causest me to ride upon it, and dissolvest my substance.*

30. *My skin is black upon me, and my bones are burned with heat.*
31. *My harp also is turned to mourning, and my organ into the voice of them that weep.*

➤ **These Seven Passages will Also Show You Three Things**

It was Job 30, where I began to realize what I really had and what price God paid for me. These Old Testament passages will basically show you three things, all seven of them. Most obviously, it shows you Christ on the cross. Two, it will show you Israel going through the tribulation period. The third thing, it shows, and it showed me, and I cannot speak for you, but it showed me my going to hell and spending eternity without Christ. Because in this passage, I see Him paying my price in hell on the cross. This passage will bring us to the sixth and the ninth hour in the Gospels, where God turns His back on Him and He pays our price. **Excuse me, my price!** Sorry about you. It was the day that God turned His back on Him and turned Him over to the wicked. It was the day that He was smitten of God. It was the day that God left Him in the hands of the devil. It is a day as every unsaved man, when the devil brought hell to Him, you find out of the very lips of the Lord Jesus Christ, what every man in hell is screaming today, "My God, my God, why hast thou forsaken me?"

In Luke 16, we had a rich man that was in hell, and he just wanted Lazarus to come and touch his finger with water because he thirsted. That was 2,000 years ago, and he never got that water. He still wants it 2,000 years later, just like he did back then. So when Christ is on the cross, you and I for eternity would have been burning, screaming our lungs out, and crying to God, "Why have

you forsaken me?" And, "Oh God, I thirst." Those were His very words. That would have been your words and my words.

The day the sun refused to shine, how could it? When God turned His back and the world was plundered in the darkness, the sun did not shine

2. But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall. Malachi 4:2

VI. Eight Key Sections of Job 30

Now, I am going to do for you today what I had to do for me. I am going to break this passage down into eight key sections. Basically, I just took my old outline out of my Bible that I put in so many, many years ago. A guy said to me one time when I preached this, he came up to me and he said, "Bob," he says, "that is so much information, and praise the Lord, thank you for that." But he says, "it is so much to wrap my head around." I stopped him and I said, "You just defined the problem in Christianity." You do not wrap your head around this, my dear friend. If you do, you will just be like everybody else. **You have to wrap your heart around it. It has to become real to you.** This is not some intellectual gymnastics that you put in your brain about the day He died. This is allowing it to penetrate your very heart to your very soul. That you do not wrap your mind around it. You do not wrap your head around it. You allow God's Holy Spirit to wrap your heart around it. That will be the key.

1.) Job 30:8-9

8. They were children of fools, yea, children of base men: they were viler than the earth.

9. And now am I their song, yea, I am their byword.

Here He is looking at the crowd that is around Him. He is looking at the high priest, the Pharisees, the scribes, the people, the Roman soldiers. I found an interesting thing here, tucked away here. He surveys both the political world, which is Rome, and He also surveys the religious world, which is Israel, and both of them are against Him. Both the world and religion, both politics and religion formed an alliance against Him to stop the plan of God. It shows you today what you are up against. You are up against religion and the political system trying to coexist together, and all they do is stop the work of God. It says, "*their song yea I became their byword*". Both are referring to the terrible things that they said about Him, making fun of Him. Byword is something degrading you say to somebody, songs of making fun of him.

2.) Job 30:10-11

10. *They abhor me, they flee far from me, and spare not to spit in my face.*

11. *Because he hath loosed my cord, and afflicted me, they have also let loose the bridle before me.*

Here is where He sees what is going on all around Him. These are His thoughts that He has given to me, so I can feel and understand what He is feeling. Not so I can wrap my head around it, but I can wrap my heart around it. Israel now is totally against Him, only a small remnant left. All His people reject Him and flee from Him. Here they spit in His face, how degrading that must have been. I have often thought of the great white throne judgment. Could you imagine in that day that the men, Caiaphas, Pilate, the Roman soldiers, the people who put the nails in His hands and His feet, can you imagine the day that they stand before Almighty God at the great white throne judgment, knowing what they did to God's Son? I think in my mind about Caiaphas, oh Caiaphas slapped Him along the face. I could just see it. I could just see it now at the great white throne judgment. Old Caiaphas standing there and some "Ruckmanite" in the crowd, born again, says, "Hey Caiaphas! Hey, back in the day, you walked up and slapped Him in the face. Why don't you go up and slap Him now?" Not in that day! You see, God let Caiaphas slap Him for me. There will be no slapping Him in that day.

Verse 11 says, "*he hath loosed my cord*", cut him off. The very lifeline to God has been severed.

Side Study: Three-fold cord Ecclesiastes 4:2

If you want to do a little deeper Bible study, you want to go over to Ecclesiastes 4:2, where it says a three-fold cord is not easily broken. That is a picture of the Trinity, three-fold cord, God the Father, God the Son, God the Holy Spirit. Here in verse 11, he says he loosed his cord. From that sixth and the ninth hour, He was out of the Trinity. God loosed His cord for me.

He says "*he let loose the bridle before me*". A bridle is what you put on a horse, and you control that horse where you want it to go. You can get him to stop, you can get him to go, turn left, turn right. But with this howling mob, God took the bridle off, and there is no control over them of what they did to my Savior. Now, He is all alone, to stand against the forces that will come to Him.

I know most of you guys and gals are young. I love you to death, and for the most part, you are all doing wonderful, you are all growing. But I want to tell you something, and you will learn this in time. You are too young yet probably to see it and understand it. But the thing that will make you who you are in Christ, the thing that will define you and will let you know who you really are, is the day you have to stand alone for something. It is easy here; you have got all these people around you. Call me up on the phone and I will help you out, whatever. That is the way it is supposed to be. But there will be a day just like Him on the cross where He could call nobody, where nobody cared, nobody answered. But the thing that got Him through His endurance was who He was. You will never be the man or the woman God wants you to be, and you will never be everything God can use you for till you first make that choice like Moses did, against the

world, against relationships, against this, against that. You are going to stand and stand alone. It will be your defining moment.

Jesus said in Luke 14:28, you want to follow me, you better count the cost.

28. For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it? Luke 14:28

This is another problem God's people do not do today. They want to get saved. Oh, praise the Lord, I am saved. You do not count the cost of what that salvation brought with it. You know what it brought with it? **It brought what He had on the cross.** Not something you wrap your head around, something you wrap your heart around when you survey the wondrous cross on which the Prince of Glory died.

3.) Job 30:12-13

12. Upon my right hand rise the youth; they push away my feet, and they raise up against me the ways of their destruction.

13. They mar my path, they set forward my calamity, they have no helper.

This is where they put Him on the cross. This is where they begin the actual act of crucifixion. The young men lay that cross on the ground. They lay Him across that cross. They push away His feet. As Psalms 22:16 says;

16. For dogs have compassed me: the assembly of the wicked have inclosed me: they pierced my hands and my feet. Psalms 22:16

You find it in John 19, Matthew 27 and Mark 15. It says, rise up against me the ways of their destruction.

Side Study: The ways of their destruction

Now this is another little side study. The ways of their destruction was a Roman cross and a Roman form of capital punishment. It shows you here something that everybody ought to learn and take a stand on. **That is the greatest enemy in the history of the world against God and His people was one, the Roman Empire, two, the Roman Catholic Church, both tools of Satan.** I do not know how anybody could miss it, unless you just wanted to. But Rome was in power when Christ came the first time. They ran the world. When John the Baptist showed up preaching the kingdom, it was Rome that killed him. It was Rome that held Jerusalem under siege. It was Rome that killed and crucified the Lord Jesus Christ through a Roman form of crucifixion. Roman soldiers put nails in His hands and His feet. The Roman soldier put a spear in His side. Rome killed Paul. Rome killed Peter. Rome killed John. Rome killed millions and millions of Bible-believing Christians down through church history. Why would you ever think that anything could be connected with God in Rome? That was the way of his destruction, Roman Empire.

It says, *they marred my path*, destroyed his walk with God. Verse 13, *set forward my calamity, they have no helper*. The devil had everything he needed in Rome. Everything he needed he found in the political and the religious system of that day, just like he will today. God sets the pattern for all down through history through Rome. I think the coin a verse is, “all roads lead to Rome”. Yes, they do.

4.) Job 30:14-17.

14. *They came upon me as a wide breaking in of waters: in the desolation they rolled themselves upon me.*

15. *Terrors are turned upon me: they pursue my soul as the wind: and my welfare passeth away as a cloud.*

16. *And now my soul is poured out upon me; the days of affliction have taken hold upon me.*

17. *My bones are pierced in me in the night season: and my sinews (muscles around the bones) take no rest.*

Verse 14 says, *the roaring waves of his suffering*, it deals with the waves of pain and terror flooding His soul, the flooding of His emotions. Verse 15 says *terrors are turned upon me*. I mean, can't you just stop when you get into this, when you get past your head and get into your heart? **Can't you see Him hanging there? Can't you see Him on that cross? Can't you close your eyes and from this passage, let it change your life by seeing and understanding what He is feeling for me.** Not you. The agony, the pain, the fear, all felt as He was forsaken by God for me. For me.

Verse 16 says, *they pursue my soul. My soul poured out upon me. Days of affliction have taken hold of me*. The devil wants His soul. The devil wants to take Him down and keep Him in Abraham's bosom, that He can never get out because he had the keys to death and hell.

Look at verse 17. *My bones are pierced in me in the night season*, no light. You see, the form of death by Roman crucifixion was that they put you on a cross. Normally, they tied your hands and feet with ropes and you stood on a little piece of platform wood that you could hold yourself up. But with Christ, they did not put ropes, they put nails in His hands and feet. So He could not stand and lift Himself up. The weight of His body on those hands and His feet pulled every bone in His shoulders out of socket. **Oh, the agony, the pain.** You read Matthew, Mark, Luke, and John, you do not get into that. He tells you here, *my bones are pierced in the night season*. All my bones are pulled out of joint and when I looked to God, nothing. When I cried out to God, nothing. All I saw was a howling, crazy, demon-possessed mob that wanted my soul. And because they did not get His soul, they cannot get mine. Sorry about you. I am not making this to you. I am not going to speak for you. Every one of you should be able to get up here and preach this just like I am. But in most of God's people, it is just a head knowledge, no heart knowledge. Behold the man. **Behold the Lamb of God, which taketh away the sin of the world.**

5.) Job 30:18-21

18. By the **great force of my disease** is my garment changed: it bindeth me about as the collar of my coat.

19. He hath cast me into the mire, and I am become like dust and ashes.

20. I cry unto thee, and thou dost not hear me: I stand up, and thou regardest me not.

21. Thou art become cruel to me: with thy strong hand thou opposest thyself against me.

That disease is sin. **That disease was my sin.** That was the great force of my disease that God put on Him. Verse 18 is where you find the New Testament account you want to make that connection. Matthew 27:28, Mark 15:17-18, and then John 19: 1-3. This is where they take off His garment and put their robe of Rome on Him. The garment changed.

Side Study: The robe Rome put on Jesus two colors, purple and scarlet

Another little interesting side note tucked away in here just so anybody looking would not miss it. In Matthew 27:28 it says it was a scarlet robe and in Mark 15:17 it says a purple robe. John 19:2 says it was a purple robe giving you the two colors of this robe was purple and scarlet, which is in Revelation chapter 17:4, the official colors of the Roman Catholic Church. And the official colors of the Antichrist in Revelation 17.

28. And they stripped him, and put on him a scarlet robe. Matthew 27:28

17. And they clothed him with purple, and platted a crown of thorns, and put it about his head, Mark 15:17

2. And the soldiers platted a crown of thorns, and put it on his head, and they put on him a purple robe, John 19:2

You do not want to miss these things. He says *he cast me into the mire*. The moment I read that so many years ago, God brought the memory to me of Psalms chapter 40:1-3. Somebody gave me that verse right after I got saved, it says

1. I waited patiently for the Lord; and he inclined unto me, and heard my cry.

2. He brought me up also out of an horrible pit, out of the miry clay, and set my feet upon a rock, and established my goings.

3. And he hath put a new song in my mouth, even praise unto our God: many shall see it, and fear, and shall trust in the Lord. Psalms 40:1-3

My dear friend, you have got to see this. Please, please! Psalm 40 says that He heard my cry. He heard my cry because He did not hear His. He refused to hear His cry so He could hear mine. It says he put me into the mire. In Psalm 40 says because God put Him into my mire, He could bring me up out of a miry clay.

Verse 20 says, *I cry unto thee, and thou dost not hear me: I stand up, and thou regardest me not* God became cruel unto Him. He did not hear His cry so He would hear mine. It says He put me into the mire. In Psalms 40 it says because God put Him in the mire so He could bring me up out of the miry clay. Verse 20 says *I cried and you heard me not. I stood up and you regarded me not. Thou art become cruel to me.* He didn't hear His cry so He could hear mine. He didn't see Him try to stand up because He knew someday, I would need to. He never became cruel to me. God never became cruel to me. God will never become cruel to me. The reason why He will never be cruel to me is because He took that cruelty out on His Son for me.

6.) Job 30:22-24 .

22. *Thou liftest me up to the wind; thou causest me to ride upon it, and dissolvest my substance.*
23. *For I know that thou wilt bring me to death, and to the house appointed for all living.*
24. *Howbeit he will not stretch out his hand to the grave, though they cry in his destruction.*

Now here it is. This is the moment the cross is lifted up and set in place. I showed you where He was laid on the cross on the ground. They put the nails in His hands and His feet. Young man pushed away His feet. Now they lift up the cross to the wind. They lift up that cross He is laying on it. The guys get behind it. They pick it up and they start aligning it with that hole, walking it up as the cross gets higher and higher. And then when it aligns right with that hole, that cross with Him nailed in the hands and the feet, dropped down three or four feet with a sickening thud, pulling every bone out of joint, ripping His hands and ripping His feet. Verse 22 says it *dissolveth my substance*. Can you imagine that? After all that He has been through, now being hoisted up to the wind, that cross dropped into the hole with a sickening thud ripping His hands and His feet. **Behold the man. Behold the Lamb of God.**

7.) Job 30:25-26

25. *Did not I weep for him that was in trouble? was not my soul grieved for the poor?*
26. *When I looked for good, then evil came unto me: and when I waited for light, there came darkness.*

As He hung on that cross, He thinks of how His own people have rejected Him. He said, "*did I not weep for him that was in trouble?*" You will find that in Luke 19:41-44, where he weeps over Jerusalem, where He sees and His heart is broken for His own people. He says you have rejected me, you have turned your back on me.

41. *And when he was come near, he beheld the city, and wept over it,*
42. *Saying, If thou hadst known, even thou, at least in this thy day, the things which belong unto thy peace! but now they are hid from thine eyes.*
43. *For the days shall come upon thee, that thine enemies shall cast a trench about thee, and compass thee round, and keep thee in on every side,*
44. *And shall lay thee even with the ground, and thy children within thee; and they shall not leave in thee one stone upon another; because thou knewest not the time of thy visitation.*
Luke 19:41-44

Then it said, *did I not weep for him that was in trouble?* Then it says, *was my soul not grieved for the poor?* Yes, it was. All His life He ministered only good to the people. He healed the sick, gave eyesight to the blind, cleansed the lepers, cast out the devils. He raised the dead, and now His good is returned with evil. The light now is darkness.

➤ **A Great Example of Ministry and Working with People**

Now I am just going to tell you this too. I do not care anymore. This is one of the greatest examples of the ministry to people today. It is a message that the church has for people. I tell people that in the ministry, and many of you know this because you work with people on a grand scale. But I always kiddingly tell you this, that when you work with people no good deed will go unpunished. Here is where you will see your three people groups in action. In ministry you will pour yourself into people. You will do things for them. You will help them. You will be there for them when they had nothing. You will do things for them that they never had done before. You will basically bring them in and take care of them and give them what they need. They will take all that you have and then walk out of your life just like it never mattered. I have seen you people work with people who had cancer, people who had struggles, people who had this, people who had that. You were there for them. You did incredible things for them. Then they get mad at you and walk out of your life. Never even say thank you. This is the ministry with people. This is what He experienced on the cross. When I saw that, when I understood what they did to Him after everything He did for them, I was under no illusion. God's people today will give you the sharp end of the stick right in the eye. An old preacher told me one time, boy, no true words. People never remember what you did for them yesterday. They just want to know what you are going to do for them today.

8.) Job 30:27-31

27. *My bowels boiled, and rested not: the days of affliction prevented me.*
28. *I went mourning without the sun: I stood up, and I cried in the congregation.*
29. *I am a brother to dragons, and a companion to owls.*
30. *My skin is black upon me, and my bones are burned with heat.*
31. *My harp also is turned to mourning, and my organ into the voice of them that weep.*

This will be the sixth to the ninth hour right here. This is the time when the devil actually brings hell to Him on the cross. This is where you are told that He is a brother to dragons. That is the devil. His skin is black. His bones and bowels are burning and boiling. It is what I would have suffered in hell. When I saw what God delivered me from, I was never the same.

I often think what going to hell must be like. The older I get, I think of people that I knew who I tried to witness to that died. No question that they are in hell today. When I worked at the Hoover Company, I had a friend of mine who was my acting supervisor and we got to be really good friends. When I left Canton and came to Kansas City, I was here for 25, 30 years. He always liked me and always thought that I was a good guy. He went to the Canton Baptist Temple and tried to find out where I was and they gave him my phone number and he called me. For the next three years, every time we would go back to Ohio, I would go to breakfast with him or lunch with him and we would just talk. He is a great guy. Every time I would try to tell him about the Lord, he did not want to hear it. He thought you could worship God out in the woods or fishing or doing whatever just like you could in church. I could never get across to him. My sister a couple of years ago sent me an obituary of where he died. Did not want a service, did not want a church, did not want a preacher. He is in hell this morning.

There was a guy years ago up at the fitness center where I used to go. He was one of the most foul-mouthed guys, Roman Catholic. Hated everything with God. I tried to witness to him so many times and he would just laugh in my face. He had cancer and then he went into remission. I found out later that the cancer came back and instead of him facing it all over again, he just went out into his backyard and committed suicide and shot himself. He is in hell today.

I think what it must be like for the rich and the famous, I think what it must be like for presidents, kings and queens, for politicians who all of their life, they are held up in front of everybody and they make all the secret deals, they live all the Godless lifestyles. They just thumb their nose at everything with God and the Bible. Then one night they close their eyes to the sleep of death and they open them and they are in hell.

I witnessed to a guy yesterday, he kind of laughed and he said, "Well here is what I believe. You go to heaven for the weather, and you go to hell to be with your friends." A guy told me one time, he says, "When I go to hell, I am not worried about going to hell. When I go to hell, me and the devil would be drinking out of the same bottle." What a reality hell must be for them. The Bible says that it is total darkness. It is heat without light. We get the idea that all your friends are around. No, if all your friends were around in hell, you could take some comfort in that. No, you are by yourself. There is nobody with you. There is nobody around you. You are in a total darkness, burning with fire, with no light, screaming your lungs out.

Like the man in Luke chapter 16, he remembered, he had brethren, he could feel, he could see, he had a tongue, his soul is in hell, and all he had was the remembrance of what God gave him and he rejected for all of eternity. In hell, God pours all of His wrath on that unsaved man. When I saw that is where I was headed, when I saw that is what the devil had in store for me; and I read Job 30, Psalms 22, Job 16, Isaiah 52, 51 and 53. I realized that God poured His wrath out on His Son so He would never have to pour it out on me. It changed my life.

How do you walk through life? How do you let the stupid stuff in life stop us? In time, all this made me begin to understand why there even had to be a hell. I do not think most people ever consider this. They just think, well, mean old God is going to put a guy in hell because they did not get saved. Well, that may be true, but there is a little more to it than that, if you ever took the time to survey the wondrous cross. Why God must put a man in a place of fire called hell, Luke chapter 16, and later a lake of fire, Revelation 20:11. I mean, the big question is would God even send a man to hell? People do not even want to believe that.

Let me show you. Get this. If you do not get anything else I said, this is worth coming for this morning. Let me show you. In the Bible, all things are purged by fire. When a man gets to the great white throne judgment, he is cast into the lake of fire. Right now, he is in hell, fire. When you get to the judgment seat of Christ, your works are going to be tried by fire. Fire was used in all the animals sacrifices in the Old Testament to offer for God.

When God made man, He made man with an eternal soul. That soul was intended to be for God's fellowship with man and His relationship with man. You see, you worship God with your spirit, but you fellowship God with your soul, Colossians 2 That soul is eternal, and it could never die. When you got saved, God separated our soul from our sinful flesh, and that is what God saved. It was your soul, Colossians 2. Someday, we are going to get a new body, Christ's body, to be complete and all eternity. We will have God's soul, God's spirit, and God's body, 1 Corinthians 15. For the unsaved man or woman, their soul is also eternal. But because they are not saved, it is connected and stuck to their sinful flesh.

*4. Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine: **the soul that sinneth, it shall die.** Ezekiel 18:4*

And when they die, that eternal soul, which will last for all of eternity because it cannot ever die, will be in a sinful state for all of eternity. So what does God do with that? The only way He can contain it from contaminating all of eternity again is to purge it in a fire. But the thing is, it is eternal, it cannot die, it comes no end to it, so the fire has to be eternal and have no end to it. And for all of eternity, that soul that was sinful is purged. It is never consumed. It is never burned up. An eternal fire for an eternal soul. Now when I understood that, I realized that God became my sacrifice for me in eternity. When I accepted His sacrifice, He applied it to my soul. When you reject the Lord Jesus Christ as your own personal savior, and you would die and go to hell, then you become your own sacrifice. That eternal soul will burn in the eternal fire to be purged in a system that it can never be purged. It will never come out and contaminate God's plan ever again. That is why there is a hell and a lake of fire.

Look at verse 27, *my bowels boiled*. 28, *mourning without the sun*. 29, *brother to dragons and owls*. 30, *skin black, bones burnt with heat*. That is my place in hell. That was destined for me. I just did not wrap my head around it. I wrapped my heart around it. When I see what He did for me, how can I ever not do whatever He wanted me to do? **The key is something that most of God's people will never have, the ability to see Him who was invisible.** When I see His purpose, His passion, His strength, His determination, His faith in God in the midst of His crucifixion, His undying love for people and the ministry, and for me, all that He had was for me.

How can I live a life of indifference? How can I just take Christianity and take it in stride and just be whatever I still want to be and give God whatever I got left over in my life? What on earth, my dear friend, can replace what He gave me? That is what I came to. I am not saying you have to. But that is where I am at.

In Christianity, you simply have **two kinds of Christians. You have those that got saved and then got over it, and those who got saved and could never get over it.** It just comes down to a heart knowledge. And by these two, we will define ourselves. You do not have to define people. People say, well, you should not judge me. I do not have to judge anybody. You will define yourself up against his death on the cross. End of story.

VII. Summary

The older I get, now I am almost done. Just bear with me. The older I get, the closer I get to heaven, the more it all means to me. I have learned over the years with all my issues and mistakes and stupid things, I at least have learned to put those three things in my life that were in the ark. The manna, Aaron's rod, and ten commandments. For 55 years, that is all my life has been about. And believe me, I have seen it all. I have experienced most of it. I am tired of this world and its hatred for the Word of God. But to be totally honest, I am tired of the indifference of God's people, too. How God's people, in the face of what He did on the cross, live your life for yourself. I do not understand it. All that He has for you; you take it and give nothing back. God's people, you spend your whole life with dead-end relationships with men and women who care nothing about God or the Bible or going to church. After all He did for you, the cross in Christ is invisible to you and God's people cannot see it.

You know, there was a time when I chased people all over the place to try to get them to do what was right with God. I have since taught you the fallacy of that. I spent most of my life as a young preacher following the system, trying to catch people who never want to get caught. Chased people who did not want to talk. I learned you cannot make somebody do what is right that does not want to. Today at 76 years of age, I do not chase anybody anymore. I do not have the time left or the energy. If you want to get involved and you want to be the guy and the girl that God uses, then here it is. I mean, you do not want to come to church and get involved, so be it. That is your choice. It is your call. I have no say in it. I do not care.

For 55 years I have given everything I am to the people of God entrusted to me. I have never held anything back. I do not care what they need. I do not care. I try to teach them everything I know that God has given me. God has given me some of the absolute best people on the planet that any pastor could ever have. You have got the heart of the Bible. You have got God's heart. You have got the heart of the ministry. And you have got my heart. You have got the heart of the work of God. We are certainly laborers together. God has changed your name. I watched it happen. Just as He changed my name. I watched the time in your life as you came in and you grew and then you got to that place that the world did not matter anymore. You did not just wrap your head around what Christ did for you. You wrapped your heart around it.

So in the time that I got left on earth, I will keep pouring what God gave me to everybody who wants it. That is why we did what we did in Boston. We have invested in people. Now this church, God is going to allow us to invest in churches. Watch what happens in New York. Watch what happens with Ohio. Watch what happens as God expands us now because of you.

We are so close to the finish line with Christ coming. With many of my fellow soldiers, we will lock arms and cross that finish line together. But I want you to know, I will not carry or drag you across. I will not push you across. As the old song says, *we are on the last mile of the way*. You are going to have to walk that last mile by yourself and cross it on your own in your relationship with Him. The cross made the difference for me. I am sorry that it did not for some of God's people.

Next week we are going to finish up our seven passages with Psalms 22. Between now and then, may God give each of us the time to reflect on what His death really means to us, and to allow it to change who we are into to what He wants us to be. Not just to wrap our heads around it, to wrap our hearts around it. Because everybody here has the ability in these last days to be everything God wants you to be. **The question is, as Moses, will you choose to suffer the affliction with the people of God over the things of the world?** It just comes down to that.

When I survey the wondrous cross
on which the Prince of glory died,
my richest gain I count but loss,
and pour contempt on all my pride.

Forbid it, Lord, that I should boast
save in the death of Christ, my God!
All the vain things that charm me most,
I sacrifice them through his blood.

See, from his head, his hands, his feet,
sorrow and love flow mingled down.
Did e'er such love and sorrow meet,
or thorns compose so rich a crown?

Were the whole realm of nature mine,
that were a present far too small.

**Love so amazing, so divine,
demands my soul, my life, my all.**
